ENVIRONMENTALLY-FRIENDLY

SAFE/NO SMOKE

1-4 HOURS COOKING

SAVE MONEY

The new Pellet Grill BBQ is the most innovative BBQ cooking system available on the market today, thanks to its special pellet burner which allows you to cook without any Gas or Electricity. Made from stainless steel, powder coated galvanised metal with an enameled grill plate and drip tube. Quick and easy lighting. No wood smoke. Adjustable cooking time suitable for long slow roasting or use as a simple grill. Optional cold smoke generator.
